

MaRina, Love Is A Way Of Life

A way of, a way of, a way of life
Love is a way of life
A way of, a way of, a way of life
Love is a way of life

Love, is a way of life
Don't close it up just waiting for tomorrow
Love, is a way of life
Open your heart and toss it to the arrow
A way of, a way of, a way of life
Love is a way of life
A way of, a way of, a way of life
Love is a way of life
Away of life

Come on go take the chance
To not just survive
This time may be worth just one more dance
To make you finally come alive
Let me say what's here on my mind

Give it up all you got
Now baby you start
I know that's the hardest part
But if you try it you may find
You just might find Cupid this time

So maybe you'll shake
Your fingers might clutch
Your heart, it may break
The first time you touch
Now if you find it's just too much
Just remember this one more time
