

Marina Milov, No more (ft. Maffashion)

You were my love and my desire
You took my heart and run away
I left a spark turned in a fire
It's burning deep inside of me

Not tears to cry in
Left you behind
No wasting time
No more
I'm Taking back me life
It's my tonight
No wasting time
No more

No More
No More
No More
No More

You were my love and my desire
You took my heart and run away
I left a spark turned in a fire
It's burning deep inside of me

I don't know what to do
I get up, let it go
/3x

My love, let it go!
My love, let it go!
My love, let it go!
My love, let it go!

Not tears to cry in
Left you behind
No wasting time
No more
I'm Taking back me life
It's my tonight
No wasting time
No more
