

Mario, Directions

(Mario Talking)

Baby If you tryin to get to good love you gotta

(Mario Singing)

Follow the directions

I can tell
That you never been and you
Waste alot of time
Cause you tryin find
This place but it aint in a phone book
And what you heard is wrong so it aint no need to look
You heard alot bout it
And now you wanna go
But the serect is
Girl you gotta know
Somebody thats been there before
N girl you lookin at em
Oh girl you lookin at em

If you wanna go there
I'm a show you how
But you cant be scared
Listen close
N pay attention
N Follow the directions
You gonna make a left
On touchin bullevard and
When you see kissin street
Make a right keep straight
N go all the way
And that will run you into good love

Dont get me wrong
I aint been alot
But I been enough to know
Where the spot is
N girl I promise I can get you there in minutes
And stay long as you want I'll be wit u til your finished
You heard alot about it
And now you wanna go
But the serect is
Girl you gotta know
Somebody thats been there before
N girl you lookin at em
Oh girl you lookin at em

If you want to go there
I'm a show you how
But you cant be scared
Listen close
N pay attention
N follow the directions
You gonna make a left
On touchin bullevard and
When you see kissin street
Make a right keep straight
N go all the way
N that will run you into good love

It wont take long to get you there
No signs
No lights
No traffic

Enjoy the ride girl you in my care
And i know just what i'm doin

I'm a pro behind the wheel
Trust me I got skills
To take you where u wanna go
So before you get in
I need to know if

If you want to go there
I'm a show you how
But you cant be scared
Listen close
N pay attention
N Follow the directions
You gonna make a left
On touchin bullevard and
When you see kissin street
Make a right keep straight
N go all the way
N that will run you in to good love
