

Mario Feat. Ludacris, Spectacular

[Verse 1]

Yeah

This used to be the house,
Until the walls came tumbling down
Now what we gon' do now,
With both our feelings hurt,
And words keep blurting out
And somehow we found a way to turn love into hate
You can hear the bell ring for the final round
It's goin' down

[Chorus]

This ain't love and this ain't human
This ain't real so what the fuck is we doin'?
And this ain't life,
There's much more to it,
This whole situation is ruined
We trapped in and we,
We can't (Get out)
We can't (Get out)
We can't (Get out)
We trapped in but we,
We can't (Get out)
We can't (Get out)
We can't (Get out)

[Verse 2]

I used to have a heart,
Now there's a hole inside my chest
Cuz we're so far apart (Yeah)
It's like we ain't the same people
I don't even see you the same (Baby)
How we turned kissing into fighting (I don't know)
And we got no umbrella for the rain (Yeah)

[Chorus]

[Ludacris]

Look Here

This ain't love,
Our whole relationship is wreckless
This ain't life,
It's like the battle of the sexes
And for the longest
All i wanted was my wife back
But now it's clear to see
That i just want my life back
So give it to me,
Quit fighting, fussing and wasting time.
I give a damn about yours,
But now you're wasting mine
Ain't nothing to what you do it
Bro, you did it well?
We were in heaven,
And now you have made my life a living hell
And i can't take it no more
So i'm out the door with it
And i'm in my cadillac
And i'm heading to the nearest pack of store with it
To get a drank of that Ludacris
Blame it Cognac
You trynna work it out
But woman i didn't know that

[Chorus]
