

Mario Vazquez, 4 The 1

Yeah
This is for the one
This is for the one
She knows who she is
Yeah
This one stays for the one
She knows who she is
Oh
Listen here now CoaCoa eyes
Daddy's coming home soon (oh yeah)
I know you sit there and you cry
But Daddy's got work to do (oh)
I know you don't care much for him
Cuz your crazy for us
I know you don't care much for him
Cuz your reaching for us
I still adore you
Never ignore you
You are my angel
Sent from above
Girl, I adore you
Never ignored you
Your my angel
Sent from above
From above, from above
From above, from above
People use to talk
Him no have no job
Look at him car
Now me say Ala Ala
Now we see dem wan' say hi
And me say , me say Goodbye
Now we no need no guided light
Babygirl don't shed a tear
When I'm not near you
No, no, no, no, no
Babygirl just listen here
I would do anything to keep you close to me
But Daddy's got a lot of work to do now
You know I'll never leave your side
I'll stand strong by you
You know I'll always make it right
'Til the next time I see you again
I still adore you
Never ignore you
You are my angel
Sent from above
Girl, I adore you
Never ignored you
Your my angel
Sent from up
People use to talk
Him no have no job
Look at him car
Now me say Ala Ala
Now we see dem wan' say hi
And me say, me say Goodbye
Now we no need no guided light

Oh, yeah
I'm not afraid, not afraid to tell you
That you are the one
This is for the one
Oh, yeah

Girl, I adore you
Never ignored you
You are my angel
Sent from above
Girl, I adore you
Never ignored you
Your an angel
Sent from above
Girl, I adore you
Never ignored you
You are my angel
Sent from above
Girl, I adore you
Never ignored you
