

# Mario, What You Name Is

Verse 1:

Girl I've been watching you for a very long time  
And there's no doubt in my mind that you're not the 1 for me  
(Can't you see)  
And I don't wanna seem pushy, But listen girl  
your body's sayin' something to me girl  
I may be only 15 but that don't really mean that  
I can't be here talking to you

Will you let me know

If you want me to treat you to a picture show (don't you say no tonight)  
And I wanna know if you'll let me kiss you 1 time before I take you home  
(the suspense is killing me girl)

Chorus:

What your name is?  
Can I be the only one that you be claimin'  
What your name is?  
When you be there with your girls you be bangin'  
What your name is?  
Can I be the only 1 that you be kickin' it with  
What your name is girl?  
Cause I know when I be spittin' you be wit' it  
Girl what your name is yeah

Verse 2:

Girl all your friends may say  
that I'm too young for you (yes they do)  
But baby age aint' a thang cause I know what to do (yes I do)  
I'll be your friend, and when you're all alone  
I'll talk to you all night til' we fall asleep on the phone  
So baby quit playin' games, you know I'm feelin' you  
You know you got it that way girl.

Will you let me know (uh huh)

if you want me to treat you to a picture show  
(please don't say no tonight)  
And I wanna know if you'll let me kiss you 1 time before I take you home  
(Before I take you home)

Chorus: 1x

Bridge:

Oh, girl, tell all your friends to go away  
so far, far away, (cause I wanna spend my time with you)  
I wanna chill with you, roll with you, be with you  
forever, and ever, and ever, and ever, and ever.

Chorus:

What your name is?  
can I be the only 1 that you be claimin' (this don't make no sense girl)  
What your name is? (I need to know right now)  
When you be there with your girls you be bangin' (You be bang, bangin')  
What your name is? (Oh girl)  
Can I be the only 1 that you be kickin, it with  
What your name is girl?
