

# Marion, Miyako Hideaway

Comes with the feeling of being left  
Is the feeling of hate  
And the sickening sense you can't make it  
By yourself  
Losers haven is the place I'm staying  
Could be lovers but I would be paying  
All Our feelings should fall into place  
How they don't  
Even though I, Even though I know  
Even though I  
Know everything I need to know about you  
You still hideaway  
I watch the birds as they fly away  
And you do too  
I watch you searching for gain for yourself  
Minds are cruel  
Losers' heaven will be coming up soon  
Turns it's ugly head and looks at you  
There's some things that  
You just have to see  
Follow me  
Even though I, Even though I know  
Even though I  
Know everything there is to know about you  
You still hideaway  
You still hideaway  
You still hideaway  
I Know everything there is to know about you  
You still hideaway  
Now we all are calling  
But your way past listening  
And your heart is freezing us all  
Even though I, Even though I know  
Even though I  
Know everything I need to know about you  
You still hideaway  
You still hideaway  
You still hideaway  
Know everything I need to know about you  
You still hideaway
