

Marion, Our Place

You know we've got so much to believe in
We can never get enough
We shine like stars every weekend
Now were taking all of the fun
Cos we now know our place
And it never be the same again

Cos you life me up on my way down
I love you when you show me how
It really doesn't matter to me
All sometimes young, sometimes old
Been there warm, been there cold
You're all that really matters to me

Yes you know we've got so much to believe in
And we can never get too much
To shine like a star follow these steps
Step one, we'll never be on our own
Cos we know our place
And it will never be the same again

Cos you life me up on my way down
I love you when you show me how
It really doesn't matter to me
All sometimes young, sometimes old
Been there warm, been there cold
You're all that really matters to me
