

Marion, What Are We Waiting For?

When I feel the same
And our loves in phase
Then you and I
We're not ourselves
And our love it fades

And as the moods begin to turn
And it's only you who's late hey
Allowed to fall into the end
But it's only if you want
Hey

What are you waiting for
What are you waiting for now
What are you waiting for
What are you waiting for now
As we decide what we want
And we get it all and then we'll change
Our minds again
Don't you do as I do
Do as I say and
You'll be OK

Feel the same
And our love you praise
Then you and I
We find Ourselves
But our love still fades

And as the moods begin to turn
And it's only you who's late hey
Allowed to fall into the end
But it's only if you want
Hey

What are you waiting for
What are you waiting for now
What are you waiting for
What are you waiting for now
As we decide what we want
And we get it all and then we'll change
Our minds again
Don't you do as I do
Do as I say and
You'll be OK

What are you waiting for
What are you waiting for now
What are you waiting for
What are you waiting for now
As we decide what we want
And we get it all and then we'll change
Our minds again
Don't you do as I do

Do as I say and
You'll be OK

What are you waiting for
What are you waiting for now
Oh Oh Oh Oh
Oh Oh Oh Oh
Oh Oh
What are you waiting for

What are you waiting for now
What are you waiting for now
What are you waiting for
What are you waiting for
What are you waiting for
What are you waiting for
What are you waiting for
What are you waiting for
What are you waiting for
What are you waiting for
