

Marius Nedelcu feat. Giulia, Rain

Standing in the rain
Calling out your name
Life is not the same
Without you

(x2)

Stars are brightly shining in the sky
Friends are sitting quiet side by side
Lovers walking hand in hand together
Here we are alone and out of time

Standing in the rain
Calling out your name
Life is not the same
Without you

(x2)

Is it love that keeps us all alive?
Do we search for soulmates all our life?
Can we ask the sun to shine forever?
Does it have to be all black and white?

Standing in the rain
Calling out your name
Life is not the same
Without you

(x2)
