

# Mark Eitzel, Cold Light Of Day

Its 2 in the afternoon  
Ive been here since 7 a.m.  
Ive been hiding out on someones private property  
I know sooner or later the owner with his gun  
Is gonna discover me and say  
&quot;Hey, what are you doing here alone

In the cold light of day  
In the cold light of day  
What are you doing here alone  
In the cold light of day  
In the cold light of day  
In the cold light of day  
What are you doing here alone  
In the cold light of day&quot;

I tried to find the darkest part of the trees  
So I could be in an ocean five fathoms down  
This pine forest is abandoned and overgrown  
Im not hurting nothing  
Im just waiting around

In the cold light of day  
In the cold light of day  
Im just waiting around  
In the cold light of day  
In the cold light of day  
In the cold light of day  
Im just waiting around  
In the cold light of day

The sun is like poison it kills all my dreams  
Just like you kill me with your laughter  
I know fear is the one thing you understand  
Your kisses taste bitter  
You say youre my future

In the cold light of day  
in the cold light of day  
You say youre my future  
In the cold light of day  
In the cold light of day  
In the cold light of day  
You say youre my future  
In the cold light of day

You say youre my future  
You say youre my future  
You say youre my future  
You say youre my future  
You say youre my future  
You say youre my future  
You say youre my future
