

Mark Eitzel, Sun Smog Seahorse

Hands in pockets
Eyes screwed shut
Let it all go
Hands in pockets
Eyes screwed shut
Let it all go
No address book

You're lost in the sky
You're lost in the sky

Blue upon blue
Green-eyed past
The length of an arm
Shiver and shake
Blue upon blue
Green-eyed past
The length of an arm
Swallow the speck

You're lost in the sky
You're lost in the sky

Long endless tone
Rope ties it up
Delivers it home
Long endless tone
Rope ties it up
Delivers it home
Everywhere at once

You're lost in the sky
You're lost in the sky
