

Mark King, Song For Ria

Your every order
Is my command
There's nothing I won't
Do if you ask

Let's build a castle
Upon the ridge
Find our own island
I'll be your bridge

If the two of us set up anywhere
How could we be afraid
All in all there's nothing we can't do

So did I tell you
How great you are
If I could paint you
I'd paint that star

Let's start a family
We'll work the land
Your every wish
Is my first command

And if we spent our lives together
We could look back and say
All in all I'm glad it went that way
All in all there's nothing I would change
