## Mark Lanegan, Carnival

| Where in the world have you | strange as i've | e ever livedSo | you're comin' | along to the sid |
|-----------------------------|-----------------|----------------|---------------|------------------|
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
|                             |                 |                |               |                  |
