

Mark Medlock, Oh Sarah

You're telling me always lies.
Baby, oh, can't you see?
You're foolin' me
Away from paradise.
You, you, you're turning my inside out.
Baby, there's so much pain, again and again.
Doesn't make me brown.

Oh, Sarah,
There's no way to say goodbye.
And it's too late for me to cry,
Every day and night.
Oh, Sarah,
Oh, this love is killing me.
And it's more than mystery,
What you are calling love.

When the wrong I love, you're right.
Oh, it's history, that you're lovin' me
And you were by my side.
Oh, I left the thousand lives in (?).
What takes the as I am
And understand it's (?)

Oh, Sarah,
There's no way to say goodbye.
And it's too late for me to cry,
Every day and night.
Oh, Sarah,
Oh, this love is killing me.
And it's more than mystery,
What you are calling love.
Yeah

Yeah, Sarah
And I need you, yeah
Oh, Sarah, I need you, yeah, I need you.

Oh, Sarah, yeah
There's no way to say goodbye.
And it's too late for me to cry,
Every day and night.
Yeah
Oh, Sarah, yeah
Oh, this love is killing me.
And it's more than mystery,
What you are calling love.
