

Mark Medlock, Part Time Lover

Oh look can't you see
What you means to me and
I can't survive without this woman in my life
Oh look, oh I show than my love
Will grow it's easier said than done
Cause my love is deep and strong.
Oh it's one for her smile that she gives to me
And it's two for a walk she's my destiny
And it three when she touched me with her pretty
face. And it's four cause I love like an angels embarrassed
Ohohoho
Everytime I'll be you're a pretty part time Lover
Ohohoho
Everytime I'll proof it there will be no other
Ohohoho
Baby you're more than just a men's desire
Ohohoho
And nobody baby ever takes me higher
Oh look, oh I show than my love will grow
it's easier said and done cause
my love is deep and strong.
Oh it's one for her kissing that she gives to me
And it's two for her magic she's my destiny.
And it's three for her beauty and her pretty face
And it's four cause I love her like an angel embarrassed.
Ohohoho
