

Mark Medlock, Summer Love

My sweet summer love (2x)
On and on and on
I'm dreaming 'bout you oh my summer love
Holding on and on
Oh you're in my dreams in the sun above
See the ocean in my dreams
Oh it's like a movie scene
My sweet summer love
Forever and a day
A day
When I'm dreaming bout the last summer
Oh I'm dreaming deep in my soul
And my feelings cannot be stronger
Cause I will lose control
When I'm dreaming bout the last summer
Feel the sunshine in the air
And my heart can't stand it no longer
My summer love I swear
My sweet summer love (2x)
On and on and on
I'm feeling so alone
Bring me the sun again
On and on and on
You're in my arms dancing in the sand
All the days and all the night
All the stars where shining bright
Halfway to Paradise
Forever and a day
When I'm dreaming bout the last summer
Oh I'm dreaming deep in my soul
And my feelings cannot be stronger
Cause I will lose control.
When I'm dreaming bout the last summer
Feel the sunshine in the air
And my heart cant stand it no longer
My summer love I swear
My sweet summer love (2x)
Oh I'm dreaming deep in my soul
When I'm dreaming bout the last summer
Oh I'm dreaming deep in my soul
And my feelings cannot be stronger
Cause I will lose control.
When I'm dreaming bout the last summer
Feel the sunshine in the air
And my heart can't stand it no longer
My summer love I swear
My sweet summer love (2x)
