

# Mark Morrison, Candy

Let me check this out...  
Take this shit out...  
Candy... So fine...  
Yeah... babe...  
It's my favorite kind  
Would you let me take a bite  
I can taste it now  
Let me fill my appetite  
Don't be stingy girl  
I will share my peice with you  
Now take off the wrapper  
Let me get a lick or two  
As sweet as chocolate  
Or juicy ligo  
If I can't get a bite  
I lick will be fine  
I've had a taste it  
It was good as can be  
That's why I want another taste  
Of your sweet sweet sweet...  
(Chorus)  
Candy!  
(Candy)  
Candy!  
So fine

Candy! It's sweeter than Randy girl  
I love my candy! It's sweeter than Randy  
Everybody says not to eat too many sweets  
But I got a taste for itty bitty treats  
Girl you got the flavor and I gotta get me some  
Mm! Mm! Mm!  
Just like a fruity plum  
As sweet as chocolate  
Or juicy ligo  
If I can't get a bite  
I lick will be fine  
I've had a taste it  
It was good as can be  
That's why I want another taste  
Of your sweet sweet sweet...  
(Chorus)  
Candy!
