

# Mark Owen, Loving You Is Easy

From the moment I rise  
chase the sleep from my eyes  
It's a lovely day  
for staying up all night  
Tasting the sun  
off the tip of your tongue  
We are flesh and blood  
Everything is good  
It's a lovely lovely lovely  
it's a lovely day  
to lose your head  
and to try and find it again  
and all I'm trying to trying to trying to  
all I want to say  
is something maybe  
nothing at all  
Loving you is easy  
as it comes  
Loving you is easy  
and I just want to thank you to thank you  
for everything  
You say it's nothing at all, nothing at all  
Climb upstairs for a mile  
jumping into your smile  
It's a lovely way  
to die today  
Melt in a haze  
Going out in a blaze  
There's nothing left of us  
We are flesh and blood  
Yeah, it's a lovely lovely lovely lovely  
it's a lovely day  
to lose your head  
and to try and find it again  
And all I'm trying to trying to trying to  
all I want to say  
is something maybe  
it's nothing at all  
Loving you is easy  
as it comes  
Loving you is easy  
and I just want to thank you to thank you  
for everything  
You say it's nothing at all, nothing at all  
nothing at all  
It's a lovely lovely lovely, it's a lovely day  
to lose your head, and to try to find it again  
And all I'm trying to trying to trying to  
yes, all I'm trying to say  
is something maybe  
this is nothing at all  
Loving you is easy  
as it comes  
Loving you is easy  
and I just want to thank you to thank you  
for everything  
You say it's nothing at all, nothing at all  
Loving you is easy at it comes  
and goes, it's easy  
and I just want to thank you, to thank you  
for everything  
You say it's nothing at all, nothing at all  
Nothing at all  
Loving you is easy

it's nothing at all  
loving you is easy  
it's nothing at all  
Loving Is
