

Mark Ronson, Only One I Know

The only one I know, has come to take me away
The only one I know, is mine when she stitches me

[Chorus]

Everyone has been burned before, everybody knows the pain
Everyone has been burned before, everybody knows the pain

The only one I see, has found an aching in me

The only one I see, has turned her tongue into me

[Chorus]

The only one I know, never cries, never open her eyes

The only one I know, wide awake and then she's away

[Chorus]

The only one I see, is mine when she walks down our street

The only one I see, has carved her way in to me

[Chorus]
