

# Mark Schultz, 1000 Miles

would walk 1,000 miles  
1,000 miles it's true  
I would walk 1,000 miles  
Just to be with You

(Chorus)  
'Cause you've got my heart and you've got my soul  
You've got this promise too  
I would walk 1,000 miles  
Just to be with You

If I could live 100 years  
Before my life is through  
If I could live 100 years  
I'd spend them loving You

(Chorus)  
Cause You've got my heart and you've got my soul  
You've got this promise too  
If I could live 100 years  
I'd spend them loving You

If I could write 10,000 songs  
10,000 songs it's true  
If I Could write 10,000 songs  
I'd Sing them all for you

(Chorus)  
'Cause you've got my heart and you've got my soul  
You've got this promise too  
If I could write 10,000 songs  
I'd Sing them all for you
