

Marlango, Hold Me Tight

How high, how high, how high will I go this time?
How hard, how hard, how hard will I fall this time?
How sweet, how slow, how hard, how warm?
How high, how high are we gonna go this time?

Hold me tight
Hold me tight

How fast, how fast, can you run away from me?
How far, how long can I keep away from you?
How fast, how far, how high, how hard?
How far, how far are we gonna go this time?

Hold me tight
Hold me tight

How hollow, how high, how clear will you sigh this time?
How long, how strong, how load will I cut this time?
How sweet, how slow, how hard, how warm?
How fast, how far, how high will we go this time?

Hold me tight
Hold me tight

Ah, ah, ah, ah, ah, high, high, hard, hard
Hold me tight this time

How, how, how hard will you come this time? Canciones de Marlango
