

# Marmaduke Duke, Rubber Lover

Johnny had a pink rubber lover  
Pinned her to the roof of his house  
Went off and prophesied some good times  
Maybe hes just calling out  
Funky all the way home  
It's regular except for the number  
Funky all the way home  
Funky all the way home  
Girl, you're making me scream  
My rubber lover, Girl  
you're making me scream  
My rubber lover
