

Marmalade, Falling Apart At The Seams

Until you came, it felt like my world
Was fallin apart at the seams
All of my childhood dreams were empty and meaningless
Until we kissed it seemed like the rain
Was turnin my hopes into sand
Ah, I was a yesterday man until I found you

It was as plain as the nose on my face
That I was heading nowhere
Then into my life came an angel of grace
Sunlight in her hair
Now love is the strangest emotion
Cause just when
I want you to stay
Seems like youre changing, dont turn me away
Dont turn me away

(CHORUS)

Oohh...

Im like a man in a mantle of black
Who just saw the light.
Who cast off the shadow when you gave him back
The meaning to life
Now love is the strangest emotion
Cause just when I want you to stay
Seems like youre changing, dont turn me away
I want you to stay

(CHORUS)
