

Maroon 5, Beautiful Goodbye

I count the ways I let you down
On my fingers and toes but I'm running out
Clever words can't help me now
I grip you tight but you're slipping out

And I remember your eyes were so bright
When I first met you, so in love that night
And now I'm kissing your tears goodnight
And I can't take it, you're even perfect when you cry

Beautiful goodbye (bye-bye, bye-bye)
It's dripping from your eyes (bye-bye, bye-bye)
Your beautiful goodbye (bye-bye, bye-bye)
It's dripping from your eyes (bye-bye, bye-bye)
Oh yeah

When did the rain become a storm?
When did the clouds begin to form?
Yeah, we got knocked off course by a natural force
And we'll, we'll be swimming when it's gone

And I remember your eyes were so bright
When I first met you, so in love that night
And now I'm kissing your tears goodnight
And I can't take it, you're even perfect when you cry

Beautiful goodbye (bye-bye, bye-bye)
It's dripping from your eyes (bye-bye, bye-bye)
Your beautiful goodbye (bye-bye, bye-bye)
It's dripping from your eyes (bye-bye, bye-bye)
Oh yeah

All the pain you try to hide
Shows through your mascara lines
As they stream down from your eyes

And let them go, let them fly
Holding back won't turn back time
Believe me, I've tried

Your eyes were so bright
And I remember your eyes were so bright
And I remember your eyes were so bright
When I first met you, how in love were we that night?
And now I'm kissing your tears goodnight
And I can't take it, you're even perfect when you cry

Beautiful goodbye (bye-bye, bye-bye)
It's dripping from your eyes (bye-bye, bye-bye)
Your beautiful goodbye (bye-bye, bye-bye)
It's dripping from your eyes (bye-bye, bye-bye)
Yeah

Beau... Oh, oh yeah
Hey, oh
