Maroon 5, Harder To Breathe (EXPLICIT LYRICS

How dare you say that my behavior's unacceptable So condescending, unnecessarily critical I have the tendency of getting very physical So watch your step cause if I do you'll need a miracle

You drain me dry and make me wonder why I'm even here This double vision I was seeing is finally clear You want to stay but you know very well I want you gone Not fit to fuckin' tread the ground that I am walking on

When it gets cold outside and you got nobody to love You'll understand what I mean when I say There's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams Is there anyone out there cause it's getting harder and harder to breathe Is there anyone out there cause it's getting harder and harder to breathe

What you are doing is screwing things up inside my head You should know better you never listened to a word I said Clutching your pillow and writhing in a naked sweat Hoping somebody someday will do you like I did

When it gets cold outside and you got nobody to love You'll understand what I mean when I say There's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams Is there anyone out there cause it's getting harder and harder to breathe Is there anyone out there cause it's getting harder and harder to breathe

Does it kill Does it burn Is it painful to learn That it's me that has all the control

Does it thrill Does it sting When you feel what I bring And you wish that you had me to hold

When it gets cold outside and you got nobody to love You'll understand what I mean when I say There's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams Is there anyone out there cause it's getting harder and harder to breathe Is there anyone out there cause it's getting harder and harder to breathe
