## Maroon 5, Never Gonna Leave This Bed

You push me I don't have the strength to Resist or control you So take me down, take me down

You hurt me But do I deserve this? You make me so nervous Calm me down, calm me down

Wake you up In the middle of the night to say I will never walk away again I'm never gonna leave this bed

So come here And never leave this place Perfection of your face Slows me down, slows me down

So fall down I need you to trust me Go easy, don't rush me Help me out, why don't you help me out?

Wake you up In the middle of the night to say I will never walk away again I'm never gonna leave this bed

So you say go, it isn't workin' And I say no, it isn't perfect So I stay instead I'm never gonna leave this bed

Take it, take it all, take all that I have I'd give it all away just to get you back And fake it, fake it, I'll take what I can get Knocking so loud, can you hear me yet? Try to stay awake, but you can't forget

Wake you up In the middle of the night to say I will never walk away again I'm never gonna leave this bed

So you say go, it isn't workin' And I say no, it isn't perfect So I stay instead I'm never gonna leave this bed

Take it, take it all, take all that I have
