

# Maroon 5, Ragdoll

How ya feelin?  
The day has had its way with both of us  
And no, I've gone out of my way  
But I'm not free  
From this pain I'm reelin  
I was a fool to think some day you would come around  
But no no no I'm not thinking that way  
Cause now I see

You are not what you seem  
You are a mystery to me  
Sometimes I just wana scream

I think you should just go away cause  
There's no necessity for you to stay and  
Next time you come around my way  
Forget it baby you're not comin in

How's your day been?  
Cause mine has taken strange and ugly turns  
But no no no I feel better today  
Cause I'm off my knees

You are not what you seem  
You are a mystery to me  
Sometimes I just wana scream

I think you should just go away cause  
There's no necessity for you to stay and  
Next time you come around my way  
Forget it baby you're not comin in

A heart made for a lot of sorrow  
No you can't come back tomorrow  
Shut my windows, lock my doors  
Cause my heart won't be your rag doll anymore  
Yeah....

I think you should just go away cause  
There's no necessity for you to stay and  
Next time you come around my way  
Forget it baby you're not comin in

A heart made for a lot of sorrow  
No you can't come back tomorrow  
Shut my windows, lock my doors  
Cause my heart won't be your rag doll anymore  
whoa....  
Cause my heart won't be your Rag Doll anymore!
