Maroon 5, This Love

I was so high I did not recognize The fire burning in her eyes The chaos that controlled my mind Whispered good-bye as she got on a plane Never to return again but always in my heart

This love has taken its toll on me She said goodbye too many times before And her heart is breaking in front of me And I have no choice, 'cause I won't say goodbye anymore Whoa, whoa, whoa

I tried my best to feed her appetite Keep her coming every night So hard to keep her satisfied Kept playing love like it was just a game Pretending to feel the same Then turn around and leave again, but uh-oh

This love has taken its toll on me She said goodbye too many times before And her heart is breaking in front of me And I have no choice, 'cause I won't say goodbye anymore Whoa, whoa, whoa

I'll fix these broken things, repair your broken wings And make sure everything's all right (It's all right, it's all right) My pressure on your lips, I'm sinking my fingertips Into every inch of you 'Cause I know that's what you want me to do

This love has taken its toll on me She said goodbye too many times before Her heart is breaking in front of me And I have no choice, 'cause I won't say goodbye anymore

This love has taken its toll on me She said goodbye too many times before My heart is breaking in front of me And she said goodbye too many times before

This love has taken its toll on me She said goodbye too many times before Her heart is breaking in front of me But I have no choice, 'cause I won't say goodbye anymore

This love has taken its toll on me She said goodbye too many times before Her heart is breaking in front of me But I have no choice, 'cause I won't say goodbye anymore
