

Marques Houston, Naked (Cory Bold Remix)

[Mike Jones]

Hey, lil mama
Lemme holla
In ya ear
Tell you things
That I know
You wanna hear
You wanna
Feel good
Then hit me here

[Marques]
So I can
Put it
On you

[Mike Jones]

Even though
I talk that talk
I swear to you
I can walk
That walk
If you don't
Believe me
Then come
To my house

[Marques]
So I can
Put it
On you

[Mike Jones]

That top is hot
And them jeans
Is tight
But seein'
You naked
Is a whole
'Nother site
I see you smiling
Cause you know
I'm right girl

[Marques]
I can
Put it
On you

[Mike Jones]

I'm Mike Jones
And I can't deny
I won't you bad
I can't even lie
So, if you wanna
Moan and groan
Hit up my phone
So...

[Marques]

So I can
Put it
On you

Ain't never been
A man for wanting things
As much as I want you
The sun don't come up
Till morning
So tonight there's no excuse hmm
Just like the rain outside
I'll make your love come down
So baby now its time
Just can't wait no more
I'm gon' give you
What you're body's been cryin for

[Jhene]
And if I tell you yes
Lay me down
Boy, we ain't gotta rush
Just play around
We'll do it
Like we never done before
So go and lock that door
Baby don't worry
Just be gentle

[Chorus]
Come on
Baby, turn the lights off
Let's get naked
Come on
Baby girl
You know I just cant take it
Let your panties hit the floor
Let your body steal the show
Right now
It seems like you're ready
So come on
Girl, I just cant wait
To see us naked
(Us naked)
Butt naked

[Marques]

I know you want this girl
I can see it in your eyes
Don't be ashamed
Of what you got
Between those thighs
Oh
You know
I'm gon' try not to
Be so excited
(But i cant help it)
Feels so good
To be invited
So, baby get ready
Cause here I go

Take off your shoes
I wanna see them toes
Slip off that skirt

And that shirt's gotta go
Come out them drawers
Girl, you won't be needin those
Now you're wearing what I like
Baby let's go
Come on

[Chorus]
Come on
Baby, turn the lights off
Let's get naked
Come on
Baby girl
You know I just cant take it
Let your panties hit the floor
Let your body steal the show
Right now
It seems like you're ready
So come on
Girl, I just cant wait
To see us naked
(Us naked)
Butt naked

[Mike Jones]

Now we at the house
And we all alone
Nobody but us
Know what's goin' on
So let's fill
The crib up
With candle light
Gotta do it right
Cause tonight's
The night
It's goin' down
And I can't wait
Take away
Yo clothes
Lemme see
Yo shape
Don't know
What you heard
But my sex is great
Don't know
What you heard
But my sex is great
I see that smile
Up on yo' face
You on top of me
I'm grabin' her waist
We switch positions
I'm layin' her down
Seconds passin'
And I'm actin' a clown
I'm Mike Jones
And I can't deny
I won't you bad
I can't even lie
So, if you wanna
Moan and groan
Hit up my phone
So...

[Marques]
So I can
Put it
On you

Damn baby
You look so good
Won't you come over here
Slip off that skirt
You know that shirt gotta go
You're lookin kinda right, now you know it's time
Let's get naked

If you tell me yes, I'll lay you down
Do it like you want
