

# Marshall Crenshaw, The Usual Thing (live 1982)

(M. Crenshaw)

chorus:

Don't want to know about the usual thing  
I never bother with the usual thing  
And I only wanna shout wanna shout wanna feel alive  
Do whatever I wanna do  
Just forget about the usual thing  
I never bother with the usual thing  
And if I didn't think you were a little bit out there too  
I just wouldn't bother with you  
I just wouldn't bother with you  
I wanna take you with me  
I'll do most anything that you want to  
When we go out together  
We must run wild but first I'm warning you

chorus

I wanna give you somethin'  
I just don't want to lose my energy  
That's why I keep on trying  
To only be true to what's inside of me  
chorus (x2)
