

Marta Sanchez, Obsession

Por qu? Qu? Cundo?
C&#oacute;mo? Quin?
Here we are searching a killer,
bewildered.
I feel I cannot live without you,
or should I say?
Without me you're not gonna live.
Por qu? Qu? Cundo?
C&#oacute;mo? Quin?
There's no shame in my agression,
the question.
I need to know everything about you.
You're my obsession.
Surrounding everything you do
Who is your lover?
When do you sleep?
What are the secrets you keep?
Obsession (love),
Obsession!
Por qu? Qu? Cundo?
C&#oacute;mo? Quin?
Locked inside your private life.
Try to hide,
But you will always be with me.
Always and forever.
Till eternity
Who is your lover?
When do you sleep?
What are the secrets you keep?
Obsession (love),
Obsession!
Por qu? Qu? Cundo?
C&#oacute;mo? Quin?
Love
Burning love
Obsession, confession, obsession!
making love
Obsession, confession, obsession
