

# Marti Pellow, I've Been Around The World

I remember when we used to sit  
And wish our dreams would come true  
I remember when you used to cry  
And I would help ease your pain  
Maybe if I hadn't gone when I did, girl  
We would be together and I'd be lovin' you  
I've been around the world and now I'm back again  
I've seen so many beautiful things  
Oh, I've been around the world and now I'm back again  
And I want to share this love I have for you  
I have for you  
Dirty scenes in limousines,  
I was messed up and out of my mind  
Ooh, it felt so nice,  
I paid the price of losing lovers and friends  
How was I to know that every road  
Leads me back to you in the end  
I've been around the world and now I'm back again  
I've seen so many beautiful things  
Oh, I've been around the world and now I'm back again  
And I want to share this love I have for you  
I have for you  
I broke all the rules you know it doesn't make much sense  
How I came to feel the way I do  
And if I had the chance to do it all again  
Honey I'm sorry, honey I'm sorry  
I've been around the world and now I'm back again  
I've seen so many beautiful things  
Oh, I've been around the world and now I'm back again  
And I want to share this love I have for you  
Ooh, I've been around the world and now I'm back again  
I've seen so many beautiful things  
Oh, I've been around the world and now I'm back again  
And I want to share this love I have for you  
Ooh, I've been around the world and now I'm back again  
I've seen so many beautiful things  
Oh, I've been around the world and now I'm back again  
And I want to share this love I have for you
