

Martika LA, Give Me Your Love

Give, me
Give, me
Give, me your
Give, me

I see you're looking at me
And I wanna let you know
If you come my way
You won't let me go

I know you want me
I want you to
Don't waste my time
Got things to do

Like a hurricane
Nothing can stop me
'Till I get my way
I know what I mean

They say I'm bad, that
I'm bad for you, say
She's not the one, but
I say fuck you

Give, give me your love
Give, give me your love

Oh oh oh baby
I don't wanna make you go crazy
So come on and take me
Let's go all the way

Let me go aaaaaway
Be, be my baby

I wanna rock your world
So give me your hand, boy
I'll be your favourite girl
You'll be my fantasy boy

You know I want you
You want me to
Won't waste your time
Got nothing to do

Gonna take the lead
Don't worry about it
I've got what you need
So come look at it

They say I'm bad, that
I'm bad for you, say
She's not the one, but
I say fuck you

Give, give me your love
Give, give me your love

Oh oh oh baby
I don't wanna make you go crazy
So come on and take me
Let's go all the way
Let me go aaaaaway

Be, be my baby

Make me go crazy
Just be my baby
Make me go crazy
Just be my baby

Oh oh oh baby
I don't wanna make you go crazy
So come on and take me
Let's go all the way
Let me go aaaaaway
Be, be my baby
