

# Martin Garrix & Dua Lipa, Scared To Be Lonely

It was great at the very start  
Hands on each other  
Couldn't stand to be far apart  
Closer the better

Now we're picking fights and slamming doors  
Magnifying all our flows  
and I wonder why  
Wonder what for?  
Why we keep coming back for more?

Is it just our bodies  
Are we both losing minds  
Is the only reason you're holding me tonight  
Coz we're scared to be lonely  
Do we need somebody  
Just to feel like we're alright?  
Is the only reason you're holding me tonight  
Coz we're scared to be lonely

Too much time  
Losing track of us  
Where was the real?  
Undefined  
Spiraling out of touch  
Forgot how it feels

All the fucked fights  
Magnifying all our flows  
and I wonder why  
Wonder what for?  
Why we keep coming back for more?
