

# Martin Solveig, Rejection

I spent so much energy  
I keep falling down my knees, baby  
I spent so much energy  
But the call is not for me, I'm down

Try to show her a different men  
But her reaction is the same  
I spent so much energy  
But she keeps rejecting me

Aaaaaaaha rejection  
Aaaaaaaha possession

I spent so much energy  
On the frantic rivery  
I should start on my grace  
She blew smock in my face  
Can't you see ther's nothing more about me, baby  
Now it's time to seek and try to find a way

x2  
Aaaaaaaaaha rejection  
Before you turn your back on me I wanna get my energy
