

# Martin Solveig, Rocking Music (Sexy version)

All the time  
I've been searching for new definition  
It is time  
to come back and leave behind my inhibition  
Ease your mind  
This is how I'll pretend to be in favor

Take your time  
And relax, keep fall in this trend dancer

I want you too  
listen to me  
rocking music  
set you free  
I want you too  
get inside  
rocking music  
ease your mind

Wanna see your body groovin' on  
wanna see your body!  
Really want to rock your body  
Ehy eh eh....

All the time  
hesitation is what took me so long  
It is time  
to see where the power bright no more

In my file  
I deserve a little relaxation  
You look fine  
But before I guarantee the satisfaction

I want you too!

I want you too  
listen to me  
rocking music  
set you free

I want you too  
get inside  
rocking music  
ease your mind (x3)

I think I got you babe  
I can see the fire burning (x3)  
I think I got you  
to my rocking music

I think I got you babe  
I can see the fire burning (x3)
