

# Martina McBride, How I Feel

Confetti fallin' from the sky  
My hometown on the 4th of July  
A midnight snow on Christmas Eve  
Like standin' up for what you believe

[Chorus]

That's how I feel when I'm with you  
That's how I feel when I'm with you  
That's how I feel  
That's how I feel when I'm with you

Your lucky coat, the first day of fall  
When you wake up laughin' just because  
An old church door that stays wide open  
A perfect heart that's never been broken

[Repeat Chorus]

That's how I feel when I'm with you  
Every day there's something new  
To cry about, to laugh about  
Those moments I can't live without  
That's how I feel  
That's how I feel  
When I'm with you
