

Marty Robbins, Beggin To You

I left you this morning, couldn't take anymore
You laughed and you dared me to walk out the door
You said that I'd come back, you knew what I'd do
And you know you were right, 'cause I'm back here tonight
Beggin to you

I won't disappoint you, I'm beggin to stay
That's what you wanted to hear anyway
It must make you happy to make me so blue
What a pitiful sight, I must be tonight
Beggin to you

You don't want my lovin
But you let me stay 'round
I guess just to walk on
So you won't touch the ground
To you it don't matter
What you cause me to do
As long as you keep me
Beggin to you
