

# Marty Robbins, Christams Time Is Here Again

(sleigh bells, sleigh bells, sleigh bells, sleigh bells,)

Sleigh bells ringin' in the lane  
Christmas time is here again  
Boys and girls are dancin' round  
Snowflakes fallin' on the ground

Tom loves Mary, Jim loves Ann  
Dan loves Sue and Sue loves Dan  
Everybody's feelin' fine  
Mighty close to Christmas time

Laughin', singin' merrily  
Dancin' round the Christmas tree  
Won't be long till Santa's here  
Santa comes just once a year

Now it's time to say goodnight  
Be real good and sleep real tight  
Be real good 'cause if you do  
Santa might be good to you

Be real good 'cause if you do  
Santa might be good to you
