

# Marty Robbins, Little Stranger (In A Manger)

Praise and glory to the highest little stranger here on earth

Little stranger in a manger little stranger sweet and mild  
Mother Mary there with Joseph watches o'er you, their holy child  
Searching for you to adore you came Three Kings led by a star  
Little stranger in a manger they'll find heaven where you are

Choirs of angels are singing this night of your birth  
Praise and glory to the highest in a stable on earth

Humble shepherds filled will wonder  
Kneel and pray by lantern light  
Little stranger in a manger bless us all this holy night

Choirs of angels are singing this night of your birth  
Praise and glory to the highest little stranger here on earth
