

Marty Robbins, Making The Most Of A Heartache

Well, now I'm cryin' every chance I get
Tryin' so hard to forget
I'm makin' the most of a heartache
That's why I'm hurtin' way down deep inside
Certain that I've lost my pride
I'm makin' the most of a heartache

That's all she left me when she walked out the door
I've got a lifetime of cryin' in store
And now I'm layin' memories behind
Prayin' I won't lose my mind
While I'm makin' the most of a heartache

That's all she left me when she walked out the door
I've got a lifetime of cryin' in store
And now I'm layin' memories behind
Prayin' I won't lose my mind
While I'm makin' the most of a heartache
While I'm makin' the most of a heartache
