

# Marty Robbins, Sittin' In A Tree House

Sittin' in a tree house  
Me and my baby  
Up where the whipporills nest all day  
We cuddle all night

(in a tree house)  
(in a tree house)

Kissin' lots of kisses  
Me and my baby  
Ask any whipporill and he'll say  
We're doin' alright

(in a tree house)  
(in a tree house)

When supper is through  
I hurry on to  
Our maple tree house rendezvous  
Soon as I climb the ladder then I'm  
Aglow and oh so darn excited

Sittin' in a tree house  
Lovin' my baby  
Someday we'll marry and settle down  
My baby and me

(in a tree house)

(aglow and oh so darn excited)

Sittin' in a tree house  
Lovin' my baby  
Someday we'll marry and settle down  
My baby and me

(in a tree house)  
How happy we'll be  
(in a tree house)  
On top of a tree  
(in a tree house)  
My baby and me
