

# Marty Robbins, The Story Of My Life

Someday I'm gonna write  
The story of my life  
I'll tell about the night we met  
And how my heart can't forget the way you smiled at me

I want the world to know  
The story of my life  
The moment when your lips met mine  
And that first exciting time I held you close to me

\*\*The sorrow when our love was breaking up  
The memory of a broken heart  
Then later on the joy of making up

Never never more to part

There's one thing left to do  
Before my story's through  
I've got to take you for my wife  
So the story of my life can start and end with you

(\*\* repeat last two verses)

Can start and end  
Can start and end  
with you
