

# Marty Robbins, They'll Never Take Her Love From

If today the sun should set on all my hopes and cares  
There is one who's smiling face the Gods would see  
Cause she'll walk along beside me up those golden stairs  
Oh they'll never never take her love from me

I thought I'd make her happy if I'd step aside  
But I knew her love would never set me free  
And even on the morning she became another's bride  
I said they'd never never take her love from me  
[ guitar ]  
I'm so thankful for each golden hour of happiness  
That we shared together in the used to be  
Though another's arms may hold her now in fond embrace  
I said they'd never never take her love from me

I thought I'd make her happy...
