## Martyna Zygadło, When You Believe

Many nights we pray With no proof anyone could hear And our hearts a hopeful song We barely understand Now we are not afraid Although we know there's much to fear We were moving mountains long Before we know we could

Oah yes There can be miracles When you believe Though hope is frail It's hard to kill Who know what miracle You can achieve When you believe Somehow you will You will when you believe

In this time of fear When prayer so often proves in vain Hope seems like the summer birds Too swiftly flown away And now I am standing here My heart's so full I can't explain Seeking faith and speaking words I never thought I'd say

There can be miracles When you believe Though hope is frail It's hard to kill Who know what miraclea You can achieve When you believe Somehow you will You will when you believe

They don't always happen when you ask And it's easy to give in to your fear Ohhhhh But when you're blinded by your pain Can't see you way safe through the rain Thought of a still resilient voice Says love is very near

There can be miracles

When you believe

Though hope is frail It's hard to kill Who know what miracles You can achieve

When you believe Somehow you will

You will when you believe Just believe You will when you Believe
