

# Marvelous 3, Number 27

she's got the numer 27  
taken off her liscence plate  
'cuz that was my basketball number  
back when we started to date  
and I know, it's better to be unfaithful  
to the people that you liked last year, Oh yea!

Chorus:  
you're still the same  
you'll never change  
always a change  
you're still the same

she's got a pretty mod cd collection  
in the backseat of her car  
all the blur and the cure and oaisis cases  
tell me you get struck by a star  
and I know, its better to be unfaithful  
to the people that you liked last year

Chorus  
I cannot run, I cannot hide  
this ain't no marco polo  
you're gonna give yourself away  
and all this time I just thought that I was crazy
