

# Marvin Gaye, Keep Gettin' It On

Yeah, wanna talk, oh yeah  
Talk about gettin' it on  
Well, early in the morning, sugar  
Talk about gettin' it on

Oh, you wanna have some good lovin', oh  
And plenty good times, oh yeah  
Don't just talk about it, everybody  
Start gettin' it on, oh!

Oh, oh! Would you rather make love, children  
As opposed to war, like you know you should?  
Don't you love to love somebody  
Think about it people, make you feel so good, yeah, come on

Oh, don't you want somebody think about you good now  
Yeah, you got the good decision, come on, just bring it on out, what you waitin' for?  
Oh Jesus, trying to tell the people to come on  
And get it on, yes Lord, ooh!

Get it on, people  
Let's get it on, morning, morning night time, ow!  
Ow! Yeah, come on, oh  
Let's get it on, right now

Oh, get - it on, get it on  
Get it on! Come on, don't hate me  
Oh you won't be so lonesome if  
You get it on

Ooh, get it on love somebody good, yeah  
Yeah, you know you've got to come on out  
And get it on, oh yeah,  
Get it on, ow!
