Marvin Gaye, Keep On Lovin' Me Honey

(Nickolas Ashford/Valerie Simpson)

[M:] Keep on lovin' me honey, keep on lovin' me true
[T:] Baby, I'm gonna love you no matter what you do
[M:] Just so long as I can have it all, nothin' but you
[Both:] So don't you take your love, don't take it away from me
[T:] 'Cause I would stop right where I stand
[M:] I'd just be afraid of a man
[Both:] Don't you take your love, don't take it away from me
'Cause if you leave you might as well take the air I breathe

[M:] Keep on lovin' me honey, don't you go nowhere
[T:] Don't you know I'm satisfied with your tender care?
[M:] And I get my inspiration, darlin', just knowin' you're there
[Both:] So don't you take your love, don't take it away from me
[T:] 'Cause like a leaf out on a tree
[M:] You've become a part of me
[Both:] Don't you take your love, don't take it away from me
'Cause if you leave you might as well take the air I breathe

[Both:] Would you take the heavens out of the sky Imagine what the world would be like if the rivers ran dry [M:] Oh Tammi [T:] What good am I without you [M:] I can't do without you, darlin' [Both:] Like a sea wihout a shore Kicking forever more

[M:] Keep on lovin' me honey, don't you change your mind [T:] Sugar, I can't bear the thought of ever leavin' you behind [M:] No matter what I do, another you I'll never find [Both:] So don't you take your love, don't take it away from me [T:] 'Cause I would stop right where I stand [M:] I'd just be afraid of a man [Both:] Don't you take your love, don't take it away from me 'Cause if you leave you might as well take the air I breathe If you leave you might as well take the air I breathe Don't you take your love, don't take it away from me 'Cause I need your love, I need you so desperately Don't you take your love, don't take it away from me [...and fade]
