## Marvin Gaye, Keep On Loving Me Honey

M: Keep on lovin' me honey, keep on lovin' me true T: Baby, I'm gonna love you no matter what you do M: Just so long as I can have it all, nothin' but you BOTH: So don't you take your love, don't take it away from me T: 'Cause I would stop right where I stand M: I'd just be afraid of a man BOTH: Don't you take your love, don't take it away from me 'Cause if you leave you might as well take the air I breathe

M: Keep on lovin' me honey, don't you go nowhere T: Don't you know I'm satisfied with your tender care? M: And I get my inspiration, darlin', just knowin' you're there BOTH: So don't you take your love, don't take it away from me T: 'Cause like a leaf out on a tree M: You've become a part of me BOTH: Don't you take your love, don't take it away from me 'Cause if you leave you might as well take the air I breathe

BOTH: Would you take the heavens out of the sky Imagine what the world would be like if the rivers ran dry M: Oh Tammi T: What good am I without you M: I can't do without you, darlin' BOTH: Like a sea wihout a shore Kicking forever more

M: Keep on lovin' me honey, don't you change your mind T: Sugar, I can't bear the thought of ever leavin' you behind M: No matter what I do, another you I'll never find BOTH: So don't you take your love, don't take it away from me T: 'Cause I would stop right where I stand M: I'd just be afraid of a man BOTH: Don't you take your love, don't take it away from me 'Cause if you leave you might as well take the air I breathe If you leave you might as well take the air I breathe Don't you take your love, don't take it away from me 'Cause I need your love, I need you so desperately Don't you take your love, don't take it away from me ...and fade
